

Course Descriptions

BEST Operator – Intended for: BEST Operators.

Description: In-depth review of the BEST system and SATCOMS theories as related to INMARSAT to include operations and basic troubleshooting of the BEST rack telecommunication components. Students should be prepared to devote out-of-class hours for study time.

Prerequisite: None.

Length: 5 days. **Seats per class:** 5.

W2K3 LAN Manager – Intended for: LAN Administrators.

Description: To prepare LAN Managers in the operation and basic troubleshooting of a W2K3 network consisting of Windows 2003 servers, Windows XP Professional workstations and Exchange 2003 e-mail configuration.

Prerequisite: Basic understanding of the Windows desktop environment.

Length: 5 days. **Seats per class:** 10.

EKMS LE – Intended for: Managers responsible for ship's Communication Security (COMSEC) materials.

Description: To educate LE Managers, ship's masters and Comms personnel required to handle COMSEC keying material on the proper handling, storage and administration. Students are given an overview and hands on labs with the SKL, KG-175 and Iridium Satellite Phone.

Prerequisite: Previous EKMS/CMS experience recommended.

Length: 5 days. **Seats per class:** 8.

C-LAN PowerUser – Intended for: LAN Administrators and secure workstation operators.

Description: To prepare operators to assume the role of Classified-LAN PowerUser ensuring smooth operation of the secure workstations and network.

Prerequisite: Successful completion of the W2K3 course.

Length: 3 days. **Seats per class:** 5.

Networks – Intended for: LAN Administrators and BEST Operators.

Description: To provide a basic understanding of the ship's LANs, WANs, network configurations, TCP/IP principles.

Prerequisite: Successful completion of the W2K3 course.

Length: 5 days. **Seats per class:** 6.

Computer Security – Intended for: LAN Administrators.

Description: Designed to provide the LAN administrator with knowledge, skills and abilities to provide security for MSC Afloat networks.

Prerequisite: Successful completion of Networks and W2K3.

Length: 5 days. **Seats per class:** 8.

Course Descriptions

Centrix – Intended for: Centrix LAN Administrators.

Description: To train local Centrix Server Administrators in the basic operations and troubleshooting of W2K3, Exchange 2002, Collaboration at Sea (CAS), Same Time Chat, and C2PC.

Prerequisite: EKMS LE and W2K3.

Length: 2 days. **Seats per class:** 5.

DHAMS – Intended for: Department Heads.

Description: To assist mariners using the DHAMS application in the course of their jobs.

Prerequisite: Billeting in (or expected billeting in) a job requiring skill in the application. Experience with the application is helpful, but is not required.

Length: 3 days. **Seats per class:** 10.

FSM – Intended for: Stewards.

Description: To assist mariners using FSM

Prerequisite: Billeting in (or expected billeting in) a job requiring skill in the application. Experience with the application is helpful, but is not required.

Length: 3 days. **Seats per class:** 10.

ShipCLIP / SM5 User – Intended for: Supply personnel.

Description: To assist mariners using SM5 or ShipCLIP.

Prerequisite: Billeting in (or expected billeting in) a job requiring skill in the application. Experience with the application is helpful, but is not required.

Length: 3 days. **Seats per class:** 10.

FSM – Intended for: Stewards.

Description: To assist mariners using FSM

Prerequisite: Billeting in (or expected billeting in) a job requiring skill in the application. Experience with the application is helpful, but is not required.

Length: 3 days. **Seats per class:** 10.

PPTS – Intended for: PPTS System Operators.

Description: The course includes detailed PPTS theory and hands-on equipment training with live satellite terminals/STE encryption equipment used aboard MSC/MARAD vessels. Students learn essential knowledge, skills and abilities needed to operate, maintain, and troubleshoot the PPTS workstation, and compose common naval messages using approved software.

Prerequisite: None.

Length: 5 days. **Seats per class:** 6.

Reporting Information for SRA Chesapeake

1. CIVMARs on PM1 ships must submit requests through their SCO or placement specialist for assignment.
2. Contractors must submit requests through their operating company training specialist.
3. We are a civilian organization; therefore, we do not provide a BCN or UIC.
4. We do not endorse orders. Please ensure the orders are written as non-reporting.
5. The SRA building is open from 0800 to 1700.
6. All classes begin on the first day at 0830. Please arrive 15 minutes early.
7. Dress is business casual – no flip-flops, shorts, midriffs, worn or tattered clothes, offensive language displayed, etc. (Use common sense.)
8. **Because of small class sizes and a limited number of classes offered during the fiscal year, our classes fill quickly. Please help us to maximize our training potential by notifying us, as soon as possible, if your student will not be attending.**

When using this controlled document, you must first verify that it is the current version, available on the (<https://www.mysealift.msc.navy.mil>) Portal. Discard obsolete versions in accordance with local directives for disposing of proprietary information.
